## Forming Efficiency on Sale!

Make your forming operations a bit more efficient and cost-effective by adding some of this surplus material.

### **Sure-Ply Form Rack – \$100 each**

Each steel rack can hold 36 8'x2' forms or 72 4'x2' forms. Put forms right where you need them with this boom-handled rack. Nine (9) racks available right now.

### **Sure-Ply Accessory Cage – \$100 each**

Each steel cage can hold the hardware and fillers. Put the hardware right where you need it with this boom-handled cage. Five (5) cages available right now.

### **Meter Screw Jack – \$20 each**

If you have shoring, then you likely need a few more Screw Jacks. There never seem to be enough. The jacks have a welded 8"x8" base plate and provide a 27" extension. Available while supply lasts.

### **U-Head 8"x8" – \$10 each**

A bolt-on U-Head makes your Meter Screw Jack that much more versatile. Safely support and lap stringers and joists with a U-Head. Available while supply lasts.

### **Used 1/2" plywood (removed from forms) – \$0.10/square foot**

Sizes include 3, 4, 5 and 6' heights (nominal), in a 23-1/2" width. Ideal for cut-up areas, rebar penetrations, bulkheads, etc. Why buy and waste new plywood?! Available while supply lasts.

Call Mike Miller, Form Rental Manager, at 708-722-2919, or stop by the Rental Yard in Bellwood to see for yourself.

Surplus material available on a "first-come, first-served" and "as is" basis for pick-up in Bellwood, IL. All sales final, no returns or refunds.
